

The Bolton Fair, Inc.

Dear Prospective Bolton Fair Advertiser:

The 136th Bolton Fair will take place this year on August 10th through 12th. The fair this year is better than ever not only for our patrons but for our advertisers as well. We have stepped up our pre-fair activities to get the word out more effectively and are again selling discount tickets through our website. We have expanded the Demolition Derby events to both Friday and Saturday evenings and will continue to host Monster Truck Shows daily on Saturday and Sunday in our motorsports arena. As an advertiser, your business has the opportunity to be seen by the press and media as well.

We would like to invite you to be one of those businesses and advertise with the 2018 Bolton Fair. Your advertising with the fair this year is expected to reach a wider audience and is a very cost effective way to get your business seen.

For **\$150**, a display ad can be placed in the **136th Bolton Fair's brochure**. This very important handout is provided to everyone who enters the fairgrounds and is the only place where all of the information on the exhibits, shows, and schedule of events that take place during the fair is provided. There is limited space available on the brochure and is offered at a first come basis. The size of your advertisement should be a two-inch by two-inch ad, or one that can be resized, ready for use. Ad copy must be camera-ready and you can email it to us at info@boltonfair.org.

For **\$300**, is the opportunity to advertise your business with a **company banner**. (Provided by you and will be available for pick up after the fair) Your banner will be prominently placed on the fencing around the pond where everyone at the Fair can see. The Pond is central to the fairgrounds, hosts the lumberjack show, and is the backdrop to the Pavilion stage where our headliner acts perform. (Note: The Bolton Fair is not responsible for loss of banner due to theft, wear and tear or acts of God.) Your banner should be no larger than three feet high by six feet wide.

We are also offering **sponsorship opportunities** (attached) and for other opportunities during the Bolton Fair such as the tractor pulls or the horse and oxen pull. Please give us a call at (978) 365-7206 and we can discuss these opportunities with you personally and create a sponsorship package that **meets your needs and budget**.

We understand that in this tight economy, advertising funds are scarce. What is important is that you spend those limited funds wisely to reach the greatest audience possible. We believe the Bolton Fair offers you this opportunity at an unbelievably low cost. Don't delay and make that decision soon! For assistance or questions please contact us at (978) 365-7206.
