Rules & Information

DATES

We have moved to August! In order to expand our fair we have decided to schedule the Bolton Fair during August. The entire fair will be open 4 days (Thursday – Sunday).

	<u>Fair Hours</u>	<u>Vendors Open</u>	<u>Vendor Set-up</u>
Thursday, August 9 th	midway only	setup only	8 am – 4:00 pm
Friday, August 10 th	12noon - 9 pm	12noon – 9 pm	6 am – 11:00 am
Saturday, August 11 th	9 am - 9 pm	9 am – 9 pm	6 am – 8:30 am
Sunday, August 12 th	9 am - 6 pm	9 am – 6 pm	6 am – 8:30 am

VEHICLES Insurance Regulations prohibit vehicles moving on the fairgrounds when the fair is in operation.

COMING & GOING Our fairgoers expect to find and enjoy the activities and events we have advertised. You must not break down your display before the advertised closing time.

RAIN or SHINE The Bolton Fair will be held rain or shine. The fairgrounds are often windy; canopies must have corners heavily anchored. There will be no refund for any reason. New England weather is unpredictable but the fair must go on - come prepared!

BOOTHS/DISPLAYS Space under tables visible to the public should be covered to the ground. Displays should be neat, professional and safe to the public.

TENT & TABLE RENTAL You may rent a tent and tables through the Bolton Fair’s tent vendor. Contact Callahan’s Rent a Tent at 978-368-7609. If you rent a tent from another vendor, you must put it up and take it down yourself. Our contract with our tent supplier does not allow for other tent vendors on the fairgrounds.

OVERNIGHT It is possible to stay overnight on the fairgrounds in your van or camper. Please make arrangements with us before your arrival. Space is limited and there are no water or electrical hook ups available.

INSURANCE All vendors agree to carry liability insurance and will provide proof.

ELECTRICITY There is electricity available. Please see electrical requirements sheet for prices. Generator use is not permitted except with permission.

ANIMALS No pets or animals are allowed.

SECURITY Security personnel are on the fairgrounds. Many exhibitors leave the bare bones of their exhibit on their space. However, the fairgrounds are large and The Bolton Fair will not guarantee the safety of anything left unattended.

ADVERTISING This is an annual event extensively advertised in all available local media including radio, newspapers, the internet, etc.

FINAL INFORMATION **Complete** vendor packages will be sent immediately prior to the fair and include exhibitor passes, map of the route 495/Bolton/Lancaster area and other pertinent information.

BALLOON SALES/RAFFLES/DRAWINGS Balloon sales or give-aways are prohibited. All raffles,

PO Box 154 • Bolton, MA 01740 • Office (978) 365-7206 • Fax (978) 365-2120

info@boltonfair.org • www.boltonfair.org

drawings, etc., free or otherwise, must be pre-approved by Commercial Director. No Pets or Bicycles are allowed.

SUBLETTING Subletting of space is prohibited.

BOLTON FAIR MERCHANDISE The sale of merchandise bearing The Bolton Fair Logo is only authorized with approval of the Licensor and the execution of additional agreements and the payment of license fees.

SURVEYS/QUESTIONAIRES Surveys and questionnaires, etc., must be pre-approved by the Licensor.

TRASH You must leave your space as you found it. **You are responsible for hauling away your own trash.**

SPACE LOCATION The Licensor reserves the right to relocate any exhibitor right up until fair time.

BADGES Commercial Vendors will be issued vendor badges again this year. These badges can be picked up the day of your set-up at the Fair office on-site. All vendors will be issued four badges per 10 X 10 booth. These badges gives you entrance into the fair for all four days. Additional badges will be sold at the discretion of The Bolton Fair Committee at the rate of \$25.00 each. If denied, the vendor may purchase additional tickets at the discounted rate of \$8.00 each per day.

CONFIRMATION Your receipt of this License is your invitation to the 2018 Bolton Fair. If you are applying for the first time, the Licensor must approve the License before it is considered final. Your cancelled check is your confirmation. Early submittal is encouraged as the documents are reviewed in early May.

When completing the License please do not use "same as last year" in the merchandise or space requirements section. Please fill out the form completely to ensure timely processing.

Any questions contact The Fair at info@boltonfair.org.

THE BOLTON FAIR ELECTRICAL REQUIREMENTS

1. All electric wiring and equipment must comply with the Commonwealth of Massachusetts Electrical Code, with special attention to:

Article 525 "Carnivals, Circuses Fairs and Similar" and Article 250 "Grounding and Bonding"

***All connections subject to review by the electrical inspector
All service connections must be approved by the fair management***

2. No cooking by electricity and no other electrical equipment to be used without special permission from the Commercial office and recorded on your contract.
3. All 120 volt 20 amp receptacles are GFCI (ground fault circuit interrupter) protected. Protection must not be bypassed. Equipment which trips GFCIs is considered unsafe and must be repaired. It should be noted that GFCI's are now available for 30 and 50 amp receptacles. It is likely these will be required in the future. It would be wise to assure your equipment has separate ground and neutral wiring and could be used with such circuits.
4. No alteration or repair of the fair electrical equipment including receptacles is permitted. Contact the fair management for adjustments.
5. All trucks, trailers and other metal concession stands with installed wiring require a service disconnect with over current protection. Grounding rod is required.
6. All lighting within reach of the public is to have suitable guards. All cords and plugs to be copper conductor grounded type (two wire cords are not permitted). All junctions of cables, outlet boxes or other connection points to be mounted off the ground.
7. We have a new electrical inspector and he is expected to be concerned with some past sloppy practices. In particular:
 - Plugs and connectors must be neatly wired with the cable jacket properly anchored by the strain relief. The plug should not be hanging from the inner conductors of a power cord.
 - Cord connectors, for example between an extension cord and the load plug, shall not be laid on the ground. Suggested wiring elevation Camco 43061 or Camping World #69171.
 - Cables shall not be placed in traffic paths or within areas accessible to the public unless buried or covered by a mat.
 - Cords must be listed for extra-hard usage, minimum 12 gauge for 120 volt 15/20 amp extension cords.
 - Splices in flexible cords are not permitted.

***The above requirements are for the safety of the public and for you
This is part of your contract with the Bolton Fair and must be followed***

Thank you for your cooperation – *The Bolton Fair*

PLEASE SEE NEXT PAGE FOR ELECTRICAL CHARGES

POWER COST CHARGES

Cords used shall be copper and suitable for the amperage of breakers requested.

Power requested shall be billed as follows:

<u>VOLTAGE</u>	<u>AMPERAGE</u>	<u>COST</u>	<u>AWG - Wires</u>	<u>NEMA Plug</u>
120V	20A	\$85.00	12-3	5-15P or 5-20P
120/208V	30A	\$175.00	10-4	14-30P
120/208V	50A	\$245.00	8-4	14-50P
120/208V	60A	\$245.00	6-4	14-60P
120/208V,3 ϕ	100A	\$490.00	2-5	100A camlock

If grounding of trailers or metal stands is done by the fair electrician, it will cost \$35.00.

The fair power system is 120/208V three-phase, so the phase to phase voltage provided here is 208 volts, not 240 volts. This may be low for some appliances.

We provide the low cost straight blade NEMA receptacles. Plugs or adapter cords for twist lock or special connectors can be arranged at additional cost by request. Please make prior arrangements so we can acquire any special receptacles needed.
