The Exhibit Hall at the Bolton Fair has something for everyone...young and old!

This is the place to show off your skills, talents and creativity too!

The Exhibits are one of the more traditional aspects of the fair...in years past folks brought their preserves, pies, food, flowers, field crops, eggs and vegetables to be judged.

Today we still have all those exhibits plus others including handicraft, quilts, sewing, art, photography, woodworking, scarecrows and for the Juniors also we have conservation, art, handicrafts, ,flowers and vegetables and much more!!

This year we are adding a few new Pre-Junior Exhibits for kids age 4 and under.

They are a sampling of classes to get the younger kids excited about exhibiting at the Bolton Fair!

Look for new exhibits listed in the Exhibitor Guide marked with
